

## LATEST NEWS LATEST NEWS EDITION - APRIL/ MAY

### **SNITZEL (Stallion Share)**

Is still currently at Shadai Stallion Station in Japan. He is having a great season with 4 stakes winners including Salade and Hot Snitzel and over 30 individual winners with in excess of \$2million in prizemoney and is running second to Stratum in the Second Season Sires list, with Starcraft hot on their heels in third place. It would be fair to say that at \$27,500 service fee this year he is the value stallion and we expect his best book and possibly largest this 2011 season.

### **STAR WITNESS (Stallion Share)**

After a let up at trainer Danny O'Briens farm at Barwon Heads he is full steam ahead for his UK assault and he is very much on track with a recent barrier trial win at Flemington, followed by a very impressive 5len win at Werribee on Friday 26th May.

He will fly out to the UK on the 1st June and is to start his campaign on Tues 14th June in the G1 Kings Stand over 1000metres up the straight six at Ascot, then follow in Choisir's footsteps and back up at the same track Sat 18th June over 1200 metres in the G1 Golden Juilee Stakes. A win in either event will greatly enhance his sire prospects even though he already has 2 G1 events to his credit in Australia, being the Blue Diamond Stakes as a 2yo and the G1 Ascot Vale Stakes as a 3yro. He is the only horse to win G1's at 2 and 3 years of age for over a decade. He will return to Widden Stud as a 4yro to take up stud duties after his short stint in the UK.

## **BROODMARES**

### **KEELA (Woodman)**

Is in good order and due to foal late August early September to exciting young G1 winning sire Northern Meteor and will return to Snitzel for the 2011 season.

### **BALMORAL BELLE(NZ) – (Zabeel)**

A recent acquisition is a full sister to the stakes winner Scouting Wide and is due to foal to the good G1 winning sire Charge Forward late August early September. She will be mated with Star Witness in the 2011 season.

## **WEANLING**

### **Dylan Thomas/ Keela Colt**

Continues to progress well in his development and will be set to be sold at the 2012 yearling sales.

## **RACEHORSES**

### **MILLENIUM RULER (3yro gelding)**

Is in training with Guy Walter and should be ready to race by end of July / early August. We hold hopes that this preparation will produce his best performances.

### **MILLENIUM HAWK (4yro gelding )**

Currently spelling at Riverslea Farm after a long 10 month campaign. He will be sent to the Northern Rivers area to be trained by leading country trainer John Shelton at Grafton. John's stable foreman Kevin Burns the former respected Newcastle trainer of Moss Rocket and Sound of Bells will take charge of looking after him during his preparation. Being a Bobs Extra (Bonus Horse) he will not be disadvantaged in racing in the country and if his form warrants , it is not far to travel to Brisbane.

### **FASTNET ROCK/TAKE CARE (USA) FILLY ( yearling)**

Has been broken in and from all reports is pleasing connections. Has had some stable education and she is now spelling on the Mornington Peninsula before returning later in the year to Colin Littles stables at Caulfield for her two yr old preparation.
